

Weekly Schedule

This schedule is subject to changes! See the public course page: uaf-math.github.io/calc2/

Note that **Quizzes** and **Midterm Exams** happen during the Thursday class. Please check out the days for **vacations**, **deadlines**, and the **Final Exam**. The start days for textbook sections during lecture are in **black**. **Homework** for each section is found on the Homework tab of the public webpage. It is due at 11:59pm on the date given. Turn it in by Gradescope upload, accessed from the Canvas page for your section.
