

## Weekly Schedule

This schedule is subject to changes! See the public course page: [uaf-math.github.io/calc2/](https://uaf-math.github.io/calc2/)

Note that you must schedule a proctor for the **Midterm Exams**. Please check out the days for **vacations**, **deadlines**, and the **Final Exam**. The start days for textbook sections during lecture are in **black**. **Homework** for each section is found on the Homework tab of the public webpage. **Check-in x** notices indicate weekly check-ins. It is due at 11:59pm on the date given. Turn it in by Gradescope upload, accessed from the Canvas page for your section.

| Week | Dates     | M                                            | W                                        | Th                            | F                                               |
|------|-----------|----------------------------------------------|------------------------------------------|-------------------------------|-------------------------------------------------|
| 1    | 1/12–1/16 | review<br><b>Check-in 1</b>                  | 2.1                                      | 2.2<br><i>Q1 H Review</i>     |                                                 |
